Hottest New Event Company Makes the List

LOS ANGELES, CA, August 4, 2009 – Skybox Event Productions has been named the Inland Empire's best business in 2009, for wedding planners, in the myfoxla's HOTLIST.

Nominated by the myfoxla's HOTLIST at the end of May, Skybox Event Productions was voted to number one by local residents on July 28, 2009.

Ngoc Nguyen, Creative Director and Principal Consultant of Skybox Event Productions said, "It's wonderful to know that our company not only takes pride and enjoyment in planning events, but other people love seeing our company's products."

Nominations for the hotlist are made by the Fox 11 news team based on a company's merit, or local residents who nominate their favorite business owners and business listings. All nominees are researched and verified for accuracy. Winners are determined by the percentage of votes cast for each business in that particular category.

The myfoxla's HOTLIST is a yearly promotional contest and city guide that Fox 11 of LA, and CityVoter endorse to profile local businesses and allow consumers a chance to vote for their favorite local businesses.
